Absolute Jobs Romania is searching for a BACK OFFICE TECHNICAL WRITER for its client in Brasov, a company producing agricultural machinery.

YOUR JOB

• Assist the development of technical information for agricultural machinery.
• Make illustrations which support instructions for the safe operation, maintenance, repair and service of our products.
• Assist the technical writer in research of existing information.

YOUR PROFILE

• You understand and write English very well.
• You are able to absorb lots of information and put it in a structured system.
• You have computer skills to produce illustrations which contains the necessary information, nothing less nothing more. Experience with design software (for example PTC CoCreate or Adobe Illustrator) is a plus.
• Affinity with mechanical, electrical and/or hydraulic technology is a plus.
• You are a team player and put yourself in the end user’s position.

OUR OFFER

• A thorough training in a professional context.
• A growth company with a strong international reputation.
• A professional organization with strong internal expertise.
