With more than 150 employees in our Brasov office, we are growing and we want you to be a part of our team!

Cerner is looking for individuals that are interested in working at the intersection of health and technology. At Cerner, we're continuously building on our foundation of intelligent solutions for the health care industry. Our technologies connect people and systems at more than facilities worldwide, and our wide range of services support the clinical, financial and operational needs of organizations of every size.

Leverage your expertise and join our mission by exploring our career opportunities.

Cerner is looking to fill a full-time position of a technical writer (m/f) at the location in Brasov, Romania, to support our international documentation team. The Team creates and maintains product documentation in collaboration with product analysis and development for Cerner IT solutions. The documentation is written in German; English is the primary business language.

Responsibilities:

- Information research, creation and quality assurance of product documentation
- Terminological work
- Language Editing
- Assistance in creating and improving documentation standards and Quality Assurance measures.
- Working in an agile development environment

Key Benefits at Cerner Romania

- International work environment (offices in +25 countries)
- Annual salary evaluation and compensation based on performance
- Private health insurance and retirement plan
- Flexible work schedule, including work from home policy
- Opportunity to travel abroad accompanied by travel, medical and life insurance
- Reimbursement for sport activities and for glasses

Qualifications and skills:

- Bachelor's degree in Technical Communication or an equivalent course of study
- Fluent in English and German (spoken and written)
- Strong interest in software development and health care
- You work structured and independently
- You have a willingness to learn and are self-motivated
- Tekom certification as a technical writer is of advantage
- Knowledge of hospital work flows is of advantage

If you are interested in this position, please do not hesitate to send your comprehensive application (preferably in German and English).

Please, send your CV at: Romania@recruitment.cerner.com
