

JUNIOR TECHNICAL WRITER Ia ISB ROM SRL - BestJobs

iSoftBet is establishing itself as a major player in the iGaming industry. And we are looking for you, junior Techwriter! Join us for a coffee in one of the coolest workplaces around, and we'll talk about how you can share your knowledge with a large audience, varying from developers to end users and business partners! You'll be working with a young team of professionals, you'll play games and you'll expand your knowledge. So if all that sounds good, do pay us a visit!

Responsibilities:

- Develop and maintain user guides, manuals, rules and other content for iSoftBet products (games or other software applications);
- Gather information directly from developers or from existing material and documentation;
- Assist developers with creating and updating API specifications;
- Format documents using company specific styles;
- Review and proofread material written by other team members.

Desired skills and experience:

- Bachelor's degree in a relevant field;
- Proficient with Microsoft Office (Word, Excel, PowerPoint);
- Excellent command of the English language (writing, reading and speaking);
- Ability to understand technical concepts or processes and convey that information in a clear and concise manner (mainly in writing);
- HTML knowledge is a big plus;
- Any experience with Adobe Acrobat Pro is a plus;
- Driven to constantly learn and improve.
