IT Vizion is growing and looking for bright, motivated and dedicated individuals that want to succeed both professionally and personally!

We are looking for a Technical Writer to produce high-quality documentation that contributes to the overall success of our products. You will join a team of talented tech writers who work collaboratively with developers, quality engineers, product managers, and usability experts to make our products easier to use.

Responsibilities:

Work with internal teams to obtain an in-depth understanding of the product and the documentation requirements;

Produce high-quality documentation that meets applicable standards and is appropriate for its intended audience;

Write easy-to-understand user interface text, online help and developer guides;

Create tutorials to help end-users use a variety of applications;

Analyze existing and potential content, focusing on reuse and single-sourcing opportunities;

Create and maintain the information architecture.

Requirements:

Excellent written skills in English;

Ability to deliver high quality documentation paying attention to details;

Ability to quickly grasp complex technical concepts and make them easily understandable in text and pictures;

Strong working knowledge of Microsoft Office;

Basic familiarity with the doc software and doc source management (e.g. MadCap)

Nice to have:

Proven working experience in technical writing of software documentation;

University degree in Computer Science, Engineering or equivalent preferred.

We offer our employees a flexible, dynamic and challenging work environment (including US Business Trip opportunities), a nice benefits package, and a competitive compensation package based on your personal skills, desire and ability to contribute to the success of IT Vizion.
